## Johann Löwenberg Waltz of the Blues

### TRY TRY TRY

Don't go sayin' that you got no time  
You wanna go steady then you change your mind  
Heaven only knows it's the games you play  
Baby believe me don't know what to say  
And I try and I try  
And I try and I try  
To share my love with you

You wanna be together then you wanna be free  
You got no business holdin' onto me  
Heaven only knows why you make me blue  
Baby believe me don't know what to do  
And I try and I try  
And I try and I try  
To share your point of view

Don't go thinkin' you got nothin' to lose  
Baby you're the winner you got me to choose  
Heaven only knows what's around the bend  
Baby believe me I don't understand  
Why I try and I try  
And I try and I try  
To share my love with you

### ANGEL OF MINE

Show me the way to kneel down and pray  
Show me the way to heaven's door  
Just like before 'angel of mine'  
Just like before 'angel of mine'

Tell me your name, let the light shine  
Show me the way into your heart  
Never apart 'angel of mine'  
Right from the start 'angel of mine'

We're travellin' on a wing and a prayer  
Lookin' at the world spin around us  
We're travellin' on a wing and a prayer  
Climb every step to the top of the stairs

Show me the way to kneel down and pray  
Show me the way to carry on  
Warm as the sun 'angel of mine'  
We've just begun 'angel of mine'

Johann Löwenberg - Vocals, Acoustic Guitar  
Gord Maxwell - BG Vocals  
Finn Manniche - Cello

### TABLE FOR ONE

Sometimes when I go walkin' in the rain  
I'll think about the blue skies  
And the sunny days of Spain  
But until then, I'll have to depend on my  
Table for one

Somewhere on the other side of the world  
I'll think about the big smile  
On the funny face of my girl  
But until then, I'll have to depend on my  
Table for one

It's a new day at the café  
Just me and my little red rose  
A table for one, it's no fun  
When she's comin' home nobody knows

Sometimes when I go wishin' on a star  
I'll think about the good times  
That we've travelled with so far  
But until then, I'll have to depend on my  
Table for one

### AT THE PALAIS ROYALE

Put your hat on and I'll pick you up at seven  
Catch the train by eight  
Toe tappin' with the band at eleven  
Don't wanna be late

It's the toe tappin' finger snappin'  
It's a'whats a'happenin' time at the 'Palais Royale'

Take your shoes off and a'meet me on the dance floor  
Jumpin' in is the thing  
Bert Niosi's just a'comin' through the front door  
He's the king of swing

You say you do, I say you don't  
You say you will, I say you won't  
Just a'shuffle on by and meet me at the railway station

Lift your arms up as you're reachin' up to heaven  
Look at the stars of the night  
Finger snappin' with the band at eleven  
Oh it feels so right

### WILD IS THE WIND

The wind is a'cuttin' through your bones, it comes to take its toll  
Whenever you hear those distant moans, reach inside your soul  
Nobody knows when the cold wind blows, wipe away your tears  
Nobody knows when the cold wind blows to satisfy your fears

Wild is the wind from some distant shore  
Wild is the howlin' wind callin' out for more  
Wild is the wind from the day you were born  
Wild is the child in you, the calm before the storm

The wind is a'crashin' on the seas, better get outta the way  
You know it can knock you to your knees, better get down and pray  
Look it around to see what you lost, that's the way it's gone  
Gotta get back no matter the cost, that's how the battle's won

The wind is a'howlin' in your head, a'rustlin' through your hair  
Must do what you can before you tread, you gotta come up for air  
The wind can throw you off your tack, that's the way it goes  
Sometimes the wind is at your back, that's the way she blows

Gord Maxwell – BG Vocals  
Chas Williams – Banjo

You gotta take a trip on the Riverboat Queen  
Down the Mississippi down to New Orleans

A lot of take and givin', tryin' ta make a livin'  
On the Riverboat Queen

You gotta take a trip to the Delta Blues  
A little boogie woogie and a bit of soft shoe  
We got Muddy Waters and B.B. King  
A Cajun band with a Dixieland swing  
A lot of take and givin', tryin' ta make a livin'  
On the Riverboat Queen

'Meet me down at the Crossroads', the Devil says to Mister Jones  
'Meet me down at the Crossroads, guaranteed to chill your bones'  
A lot of take and givin', ya gotta keep from sinnin' on the Delta Blues

You gotta take a trip on the Riverboat Queen  
Down the Mississippi down to New Orleans

### ALL NIGHT LONG

I wanna talk talk talk until the broad daylight  
I wanna walk walk walk feels so right  
I wanna go back home and take your love with me  
And hold you in my arms 'all night long'

I wanna fly fly fly until I find the shore  
I wanna cry cry cry 'til I cry no more  
I wanna go on home and take your love with me  
And dim out the lights so we can barely see ..yeah

I wanna rock a bye until I feel your touch  
I wanna roll on down I want you so much  
I wanna go back home and take your love with me  
And hold you in my arms for eternity

I wanna knock knock knock upon your heavy door  
I wanna talk talk talk 'til we talk no more  
I wanna go on home and take your love with me  
And hold you in my arms 'all night long'

### SUNNY DAY BLUES

Pretty baby won't you be so kind  
Won't you be my little Valentine  
Got your letter in the mail last week  
Heard the birdies go tweet tweet tweet  
Cupid's arrow in my heart  
Be it come what may  
How in the world can we be apart  
On such a sunny day

Pretty baby won't you be so good  
Take me all the way to Hollywood  
Drivin' around in your Cadillac car  
Keep on reachin' for your star  
There sure is something in the air  
Be it come what may  
Like Ginger Rogers and Fred Astaire  
Dancin' on a sunny day

### WALKIN' WITH THE LORD

I'm walkin', walkin' on the water  
walkin', walkin' on the water  
I'm talkin', talkin' with my father  
walkin', walk a little farther

I'm comin' on home when I'm walkin' with the Lord

I'm workin', workin' a little harder  
workin', workin' a little harder  
To puttin', puttin' out the fire  
I'm workin', I will never tire

I'm comin' on home when I'm walkin' with the Lord

If you ever pass me by and you happen to hear me cry, oh Lord  
If I'm reachin' out to you and I don't know what to do, oh Lord  
It's better safe than sorry, help me find your glory and save me, save me

I'm lookin', lookin' to where the sun shines  
lookin', lookin' to where the sun shines  
I'm hookin', hookin' up a phone line  
lookin', lookin' to when it's my time  
I'm comin' on home when I'm talkin' to the Lord

### WALTZ OF THE BLUES

I remember the sound of your laughter back in the days of our youth  
How we promised the here 'n' ever after searching for all but the truth  
Oh how we broke all the rules out on the ship of fools  
We would dance to the 'Waltz of the Blues'

I remember the sound of our footsteps  
as we crossed through the sands of time  
How we whispered our love for each other beyond all reason or rhyme  
Now that you're gone I must choose to carry on win or lose  
Let us dance to the 'Waltz of the Blues'

Oh darling is it you there beside me now as my days grow old  
In my heart I know you can guide me all the way in from the cold  
Now that we've paid all our dues let's put on these dancing shoes  
So we can dance to the 'Waltz of the Blues'  
Let us dance to the 'Waltz of the Blues'
